PRESIDENT: The bill is advanced. LB 552.

CLERK: (Read title to LB 552.) The bill was first read on January 4, 1978. It again was referred directly to the General File, Mr. President.

SENATOR BARNETT: I would move for the advancement of LB 552 to E & R Initial and for those that are listening, this same thing is true. There will be no Committee statement on this one. As the Judiciary Chairman you can move the revisor's bills or corrections up to the floor. LB 552 is a correction from the revisor's office where they put down the wrong section numbers during a bill last session. They found it and we correct it in this session. That is all it does. It corrects internal references to sections of the law.

PRESIDENT: Senator Keyes. Any further discussion? Record your vote. Record.
